

Young Driver Safety Pledge

Recognizing that driving is one of the most dangerous activities I can be involved in, and in accordance with the **DRIVER CODE OF CONDUCT** I have agreed with my family, I pledge:

I will NOT:

Use a cell phone (hand-held or hands-free) or text/email/SMS etc. while driving.

- Become distracted in any way while driving; e.g. eating or drinking, and/or adjusting the radio, heating or air-conditioning, and/or using a laptop or iPad etc.
- Drive while under the influence of alcohol and/or drugs, including over-the-counter and prescriptions medications.
- Drive while feeling fatigued, or lacking sufficient sleep.
- Carry passengers who are likely to distract me from driving or encourage dangerous activities on the road.

I will ALWAYS:

- Abide by all country, state and local road safety laws and speed regulations.
- Wear a seat belt and ensure all passengers wear appropriate safety restraints.
- Maintain my vehicle per manufacturer requirements.
- Share the roads safely with all other road users, including cyclists and pedestrians.
- Strive to be crash, injury, incident and MVR Violation free.

I understand this PLEDGE exists to benefit myself, my family, and the communities in which I drive.

I will also take advantage of the **Three60** road safety magazine and stay up to date with the latest road safety news, driving best practice, the latest technology, the most cost effective insurance rates for my vehicle, and enter competitions regularly to win as many prizes as I can!
